NITED STATES PATENT AND TRADEMARK OFFICE

RESPONSE TO RESTRICTION REQUIREMENT

Commissioner of Patents c/o Customer Service Window Randolph Building 401 Dulany Street Alexandria, VA 22314

Sir:

In response to the Office Action mailed November 1, 2005, Applicants elect for prosecution in this application Group II drawn to a method of preventing neuronal cell death in a mammal. This Group encompasses claims 10 and 12-19.

Applicants further elect NM androgen binding protein delivered in a nucleic acid. Applicants further elect retinal cell degeneration as a species.

A petition for a three-month extension of time accompanies this paper. No additional fee is believed due in connection with this response. However, should the Patent and Trademark Office determine that a fee is required, please charge our Deposit Account No. 19-0733.

Respectfully submitted,

Date: February 21, 2006
